W.P.NO.20038 OF 1998

ORAL ORDER:

Out of the six petitioners, who instituted this writ petition seeking direction to the respondent-Singareni Collieries Company Limited (for short 'the Company) that they should be permitted to discharge their duties as Support Mazdoors/Roof Bolting Mazdoors instead of being directed to discharge the functions of Coal Fillers, the 1st petitioner has withdrawn from the case and consequently, the writ petition is dismissed so far as he is concerned; the 2nd petitioner is said to have been drafted as Coal Cutter Category-V, hence, he also filed an application seeking permission of the Court to withdraw himself from the writ petition inasmuch as the cause for him does not survive any further; the 3rd petitioner Sri V. Mogili has since been drafted as General Mazdoor at request by the Company and, hence, the cause in the writ petition does not survive for adjudication insofar he is concerned; the 4th petitioner Sri Tokala Shankar is said to have been subjected to disciplinary enquiry and he has been dismissed from out of employment, therefore, at his instance, the present lis cannot be entertained and insofar as the 5th and 6th petitioners are concerned, they seemed to have tendered resignation to their services with the Company, thus, the cause in the writ petition

does not survive for further adjudication.

The writ petition is, therefore, dismissed, but however, in the circumstances, without costs.
